prism ELEMENT & BANNER™

IN OUR ELEMENT

We're creating what the market demands. Prism Element™ is a sleek and focused addition to the Prism product line. Our newest core cabinet leverages the established and award-nominated Prism platform and brings a simple silhouette with powerful gameplay to slot floors.

ALL ABOUT THE GAME

The Element game catalog is designed for avid and repeat players with a focus on proven math and innovative, trending features. Players can expect a purposeful audio and animation package with focus on what matters most: gameplay.

BETTER VISIBILITY, BETTER PERFORMANCE

For added branding and merchandising, a simple and elegant dual-game sign package called Prism Element Banner™ is available. Signage displays feature information and progressive meters when applicable. Cabinets without Banner signage include an integrated light bar and candle.
